Program Overview

Day 0 – November 13th, 2025 (Thursday)

9:00AM - 5:00PM	Registration	First Floor of Library
-----------------	--------------	------------------------

Day 1 – November 14th, 2025 (Friday)

9:00AM - 9:15AM	Opening Remark	Assembly Hall
9:15AM - 10:15AM	Keynote Speech 1 Automated Network Intelligence: Driving the Future of 5G and Beyond Abdallah Shami	
10:15AM - 11:00AM	Tea Break and Group Photo Session	
11:00AM - 12:00AM	Keynote Speech 2 Secure Internet Architecture and Key Technologies Ke Xu	
Lunch and Noon Break		Lakeside Restaurant
2:00PM - 5:30PM (Teabreak: 3:50PM-4:00PM)	Topic 1 Cloud Scheduling, Optimization & Prediction	Meeting Room 2 (1st Floor of Library)
	Topic 2 Federated & Energy-Efficient Edge Learning	Meeting Room 3 (715 of Library)

Day 2 – November 15th, 2025 (Saturday)

9:00AM - 10:00AM	Keynote Speech 3 Challenges and Reflections on AI-Powered Remote Sensing Interpretation Jianya Gong	Meeting Room 1 (9th Floor of Library)
10:00AM - 10:15AM	Tea Break	
10:15AM - 12:30AM	Topic 3 Emotion Recognition & Edge-Cloud Fusion Application	Meeting Room 1 (9th Floor of Library)
	Topic 4 5G, AI Security & Network Signaling	Meeting Room 3 (715 of Library)
Lunch and Noon Break		Lakeside Restaurant
2:00PM - 5:30PM (Teabreak: 3:50PM-4:00PM)	Topic 5 Cloud Infrastructure & Secure Deployment	Meeting Room 1 (9th Floor of Library)
	Topic 6 Smart IoT, Digital Twin & Task Offloading	Meeting Room 3 (715 of Library)
	Competitions Emotional Intelligence Challenge & PDMR 2025	Meeting Room 4(802 of Library)

Day 3 – November 16th, 2025 (Sunday)

9:00AM - 10:00AM	Keynote Speech 4 Intelligent Network Management for 6G Weihua Zhuang	Meeting Room 1 (9th Floor of Library)
10:00AM - 10:15AM	Tea Break	
10:15AM - 12:30AM	Tutorial Visa: Data and AI transforming the digital payments industry Viraj Bhat	Meeting Room 2 (1st Floor of Library)
	Topic 7 UAV, Resource Allocation & Optimization	Meeting Room 4(802 of Library)

	Topic 8 LLM, Frameworks & Cloud-Native AI	Meeting Room 3 (715 of Library)
Lunch and Noon Break		Lakeside Restaurant
2:00PM - 5:30PM (Teabreak: 3:50PM-4:00PM)	Special Section 1 AIoT For Smart Cities, Agriculture, and Forestry	Meeting Room 2 (1st Floor of Library)
	Special Section 2 Secure and Efficient Distriuted Machine Learning in Cloud Computing Keynote Speech Human-in-the-Loop Learning: Taming Agency and Incentives for Smart Cities Lingjie Duan	Meeting Room 3 (715 of Library)
	Special Section 3 Sustainable Blockchain Systems on Distributed Clouds Keynote Speech AI for Web3 Finance: Challenges and Opportunities Jiachi Chen	Meeting Room 4(802 of Library)
	Special Section 4 Semantic Communication in Cloud Computing Keynote Speech Goal-Oriented Semantic Communications in the 6G Era Nan Li	Meeting Room 5(536 of Main Building)
	Special Section 5 Privacy and Security Mechanisms for Federated Learning in IoT Systems	Meeting Room 6(544 of Main Building)
	Special Section 6 Affective Computing in Cloud-Edge Environments Keynote Speech Stance Detection in the LLM AGE Ruifeng Xu	Meeting Room 7(1303 of Main Building)
6:30PM - 8:30PM	Conference Banquet Dinner	Lakeside Restaurant
